

PR SYMPOSIUM

GLOBAL ISSUES AND AWARENESS

Join Pine-Richland High School for their third annual symposium. A blend of knowledge from the classroom and outside sources will provide a critical, but supportive, interdisciplinary environment allowing the growth and improvement of student presenters while enlightening the audience. This year we are proud to present an intellectual discourse on **Global Issues and Awareness**. A mixture of student speeches, keynote speakers, and group discussions will contribute to the year's most exciting educational symposium. We hope to see you there!
